Introduction

Official statement from client:

My son of 15, liked to be independent, AT the time October 17th 2019. I captured these pictures at he time he was walking alone on his own 6 in the morning he called me on my phone and told me he felt like he was in danger (ended up he was AT TENT CITY local homeless community-BAD THINGS happened there FROM EXPERIENCE) ..i lived 15 miles from him at the time (he lived with his grandma ON HIS OWN LEGALLY-another story). When I pulled up there was a man i saw YELLING "HEY" "HEY". I took him about a mile from there then I travelled between 0-1 more ahead of him it was still dark. I pulled over in front of the field big outstretch of land just started taking pictures of the moon-it was almost full. I had taken the second one and the bright neon CAUGHT ME OF COURSE zoomed in closer because IT LOOKED LIKE an angel I WOULD NOT BE SURPRISED if he was being protected BUT 2 try n debunk if it was a reflection from the observatory on the hill OR SOMEONE ELSE? LEFT SIDE HIGHER UP and not just SAFETY FROM the man i heard yelling at him.....I'm sorry i HAVE TO SUBMIT THE PHOTOS ON A DIFFERENT form?? i didn't have it ready and downloaded on my hard drive from google photos. - 2021
